WYNDHAM CORRIDOR – PLAY CENTRE FEASIBILITY REPORT
Generated: 30 July 2026

=====

PRIMARY RECOMMENDATION: TRI-SUBURB CENTRE SITE
(Serving Mambourin, Wyndham Vale & Manor Lakes from one location)

IMPORTANT: the automated per-suburb ranking below scores each suburb independently and cannot express "one site serving three suburbs at once." For that specific goal, the recommendation is:

>>> BALLAN ROAD CORRIDOR, WYNDHAM VALE (near Manor Lakes Central) <<<

Ballan Road is the arterial that physically connects Wyndham Vale and Manor Lakes, and sits almost exactly on the geometric centre of Mambourin / Wyndham Vale / Manor Lakes (approx -37.886, 144.599). It is also an active, real commercial corridor:

- Manor Lakes Central, 455 Ballan Rd: established shopping centre (Coles, Kmart, Best & Less, Anytime Fitness, ~20,000 sqm GLA). Colliers currently lists retail space for lease here. Co-locating adjacent to this anchor captures existing family foot traffic from all three suburbs at once. [UNVERIFIED – detail page blocked automated retrieval; confirm current tenancy size with the agent]
- 440 & 462 Ballan Rd / 2 Hirata Blvd: 2.15 ha, approved for up to 11,000 sqm large-format retail, directly opposite Manor Lakes Central. SOLD off-market (settlement Aug 2025) – NOT available, but confirms developers are already targeting this exact corridor.
- 819 Ballan Rd, Manor Lakes: 45.23 ha vacant land nearby – likely a master-planned parcel; worth asking whether a smaller lot can be carved out.

NOTE ON TRUGANINA/TARNEIT: these still score highest in the raw per-suburb model below, largely on verified warehouse availability. But they sit outside the Mambourin/Wyndham Vale/Manor Lakes pocket entirely (10-20 km away) and do not serve that catchment – and per local knowledge, Crocs Playcentre in Hoppers Crossing already covers the Truganina/Palmers Rd corridor, which the model under-weighted before this competitor was added. If your goal is specifically to serve Mambourin + Wyndham Vale + Manor Lakes, the Ballan Road corridor above is the right answer, not Truganina.

ALL CANDIDATE SITES FOUND (across all suburbs, for reference)

[Warehouse For Lease] Foundation at Truganina (Dexus industrial estate) — Truganina industrial precinct (size TBC, Contact agent (Dexus)) [VERIFIED]

Zoning: Premium grade industrial estate; freestanding warehouse & office facilities

Note: Large-format estate (units generally 11,000-15,000 sqm) — likely oversized unless subdivided.

[Warehouse For Lease] Industrial/Warehouse Space — 355 Palmers Rd — 355 Palmers Rd (1,571 sqm, Contact agent (Cushman & Wakefield / Central Commercial Group)) [VERIFIED]

Zoning: Brand-new showroom + office/warehouse, main road exposure, 130m frontage near corner Palmers/Dohertys Rd
 Note: Below target size range alone, but high street exposure ideal for a family entertainment venue.

[Warehouse For Lease] Industrial/Warehouse Space - 42 Sunline Drive - 42 Sunline Drive (5,000 sqm, Contact agent (Cushman & Wakefield)) [VERIFIED]
 Zoning: Industrial zoned; sublease, ready for immediate occupation
 Note: Immediate occupation, 5,000 sqm matches top of target size range exactly.

[Commercial Development Site] Warehouse/Showroom/Retail Space - 14 Tallis Circuit - 14 Tallis Circuit (size TBC, Contact agent (Raine & Horne Williams Landing)) [VERIFIED]
 Zoning: Marketed explicitly for showroom/retail use, not pure logistics - lower zoning risk
 Note: Marketed for showroom/retail, which reduces re-zoning risk versus pure logistics warehouse stock.

[Industrial Land For Sale] Land/Development Site - Lot 3-4, 440 Black Forest Rd / 323 Greens Rd - Lot 3-4, 440 Black Forest Rd / 323 Greens Rd (size TBC, Contact agent (Cushman & Wakefield)) [UNVERIFIED]
 Zoning: Earmarked industrial per Western Growth Corridor Plan / Mambourin East Precinct Plan
 Note: Falls directly inside the marked target zone. Full listing detail (size/price) blocked automated retrieval (403) - confirm directly with agent before relying on this.
 Source: <https://www.cushmanwakefield.com/en/australia/properties/for-sale/landdevelopment/victoria/mambourin/lot-3-4-440-black-forest-rd-323-greens-road/a8y5c000000lcupeao-s>

[Future Precinct / Town Centre] Mambourin Town Centre (future precinct) - Mambourin Town Centre precinct (25,000 sqm, Not yet available - precinct in planning) [VERIFIED]
 Zoning: Planned mixed retail precinct; may include cinema per public precinct information
 Note: 25,000 sqm retail hub planned (cafes, restaurants, supermarkets, specialty stores, possible cinema). A co-located or adjacent play centre would benefit from shared footfall once this opens - worth monitoring as a longer-term anchor opportunity, not an immediate site.

[Commercial Development Site] 440 & 462 Ballan Rd / 2 Hirata Blvd (recently sold, market signal only) - 440 & 462 Ballan Rd, 2 Hirata Blvd (11,000 sqm, Sold off-market, settlement Aug 2025 - NOT available) [VERIFIED]
 Zoning: 2.15 ha, zoned mixed-use, approved for up to 11,000 sqm large-format retail; directly opposite Manor Lakes Central
 Note: NOT AN AVAILABLE SITE - sold off-market (settlement Aug 2025). Included only as a market signal: confirms developers are already actively targeting this exact Ballan Rd corridor for large-format retail, validating the tri-suburb thesis even though this specific parcel is gone.

[Commercial Development Site] Manor Lakes Central (retail space for lease) - 455 Ballan Rd (size TBC, Contact agent (Colliers)) [UNVERIFIED]
 Zoning: Established sub-regional shopping centre (Coles, Kmart, Best & Less, Anytime Fitness, ~20,000 sqm GLA); zoned for retail/commercial use
 Note: DIRECTLY ON BALLAN ROAD, the corridor connecting Wyndham Vale and Manor Lakes, near the geometric centre of Mambourin/Wyndham Vale/Manor Lakes. Co-locating adjacent to this established anchor centre would capture existing family foot traffic from all three suburbs. Colliers lists retail space for lease here but the detail page blocked automated retrieval - confirm current availability and tenancy size with the agent directly.

[Industrial Land For Sale] 819 Ballan Rd, Manor Lakes (large vacant parcel) - 819 Ballan Rd (452,300 sqm, Contact agent) [VERIFIED]
 Zoning: 45.23 hectares vacant land, opposite Jubilee Estate, near Wyndham Vale station and Manor Lakes Shopping Centre
 Note: Far larger than needed (45+ ha) - likely a master-planned parcel awaiting subdivision. Worth inquiring whether a 2,000-5,000 sqm lot could be carved out, given its excellent position near the Wyndham Vale/Manor Lakes boundary.

ZONING & APPROVALS NOTE

Wyndham City Council requires a Town Planning permit for any "Place of Assembly" (land where people congregate for entertainment, meetings, or cultural activities) – a play centre falls under this definition regardless of underlying zone. Budget time/cost for this approval step; industrial-zoned sites may need an additional permit for change of use from warehouse/logistics to indoor recreation.

METHODOLOGY NOTES

Children under 12 estimated from household count x ABS-pattern child proportion (~0.65/household for new family estates, ~0.45 for established suburbs) - an estimate, not a Census figure.

Supply gap: distance to nearest known competitor play centre.

Weights: Family Pop 30%, Growth 25%, Supply Gap 25%, Road 10%, Site Availability 10%.

Competitor & listing data: web search, July 2026 - see source URLs above.
